

Lesson 5. Leadership Skills

Directions: Go to the following website: <http://www.agmrc.org>. Click on the Business Development tab, business skills. Answer the following questions below.

1. In your own words, explain the difference between leading a group versus managing a group.
2. What makes a good leader? Describe the qualities that you feel a good leader will possess and why.
3. Do you feel that leadership is just one person or can it be a group? Please explain why you chose the answer you did.
4. Do you feel that leaders are born or made? Why?
5. Give an example in which you have been a positive leader. Why do you think you were a positive leader?
