US Foods is one of America’s great food companies and leading distributors, serving independent and multi-unit restaurants, healthcare and hospitality entities, government and educational institutions. During this field trip, the participants will have the opportunity to visit their distribution center and facility, and learn more about the US Foods® Austin Environmental Initiative and their building implements toward Silver LEED (Leadership in Energy and Environmental Design) Certification. Light refreshments will be served.

Whole Foods is the world’s leader in natural and organic foods with more than 360 stores in North America and the United Kingdom. During the tour to their store, participants will have the chance to visit every department in the Whole Foods flagship store, and hear about Whole Foods’ unique culture, products and procurement process.
TOUR TO US FOODS DISTRIBUTION CENTER AND FACILITY
